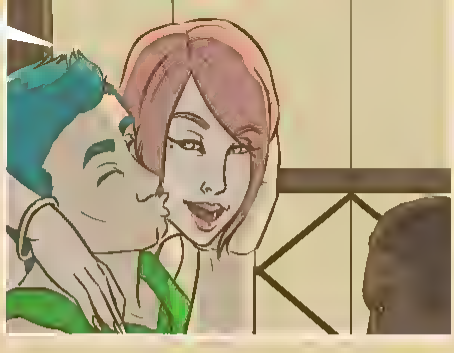
...and *then* you -

Please. Stop.

Sorry I'm

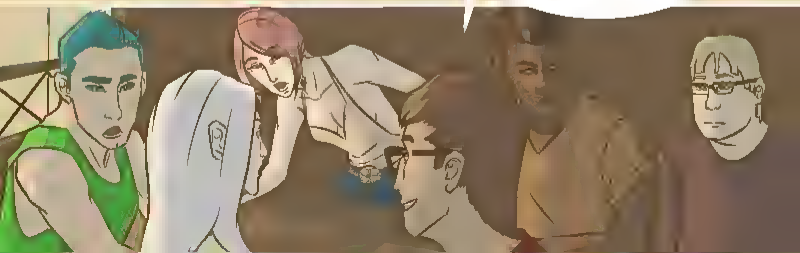
late.



Trish!
Hey baby.

What are we talking about?

We were just reminding Lance of what all happened last night.



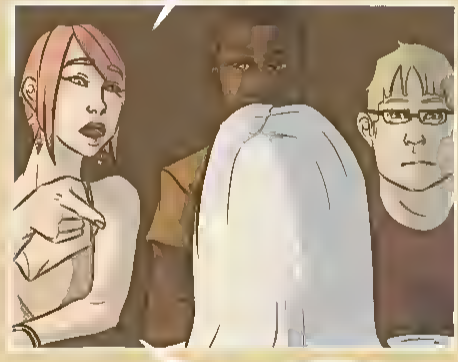
Please. Enough. I don't wanna relive it.

Oh? Did someone overdo it?

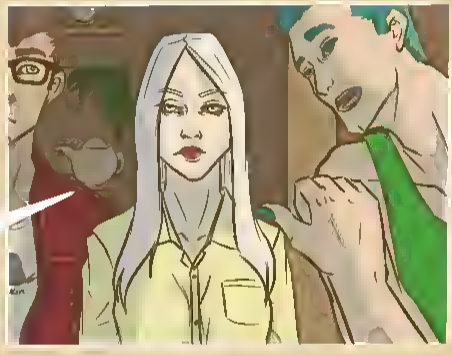
Why must you

betray me this way?!

And who's this?

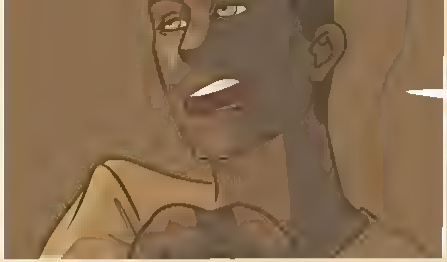


...And why is she staring at Trev?

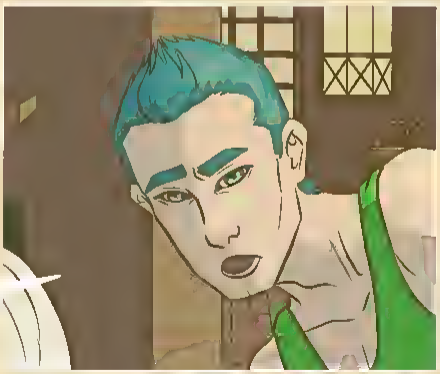


Oh, this is...
...uh...

What is her name??



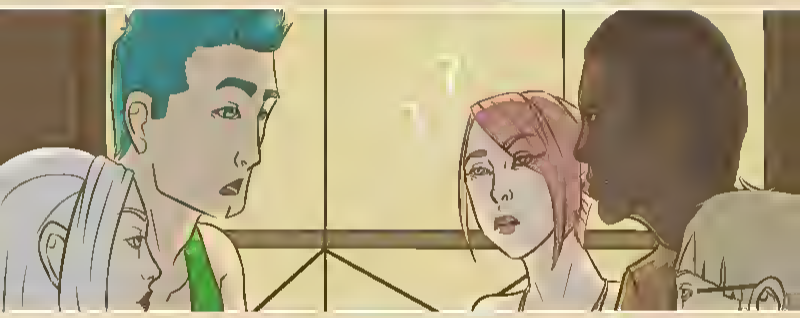
Guys,
her name's
Shay.



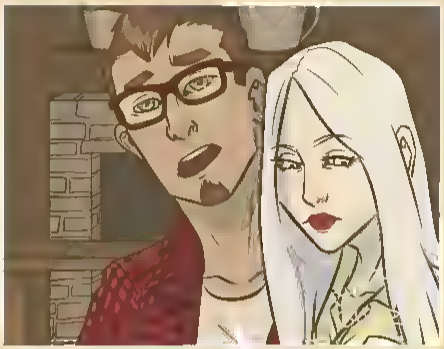
Wait,
how do you -

Oh, that's right.

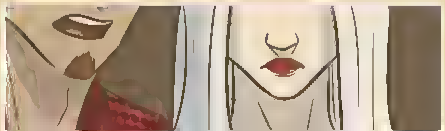
You slept with her roommate.



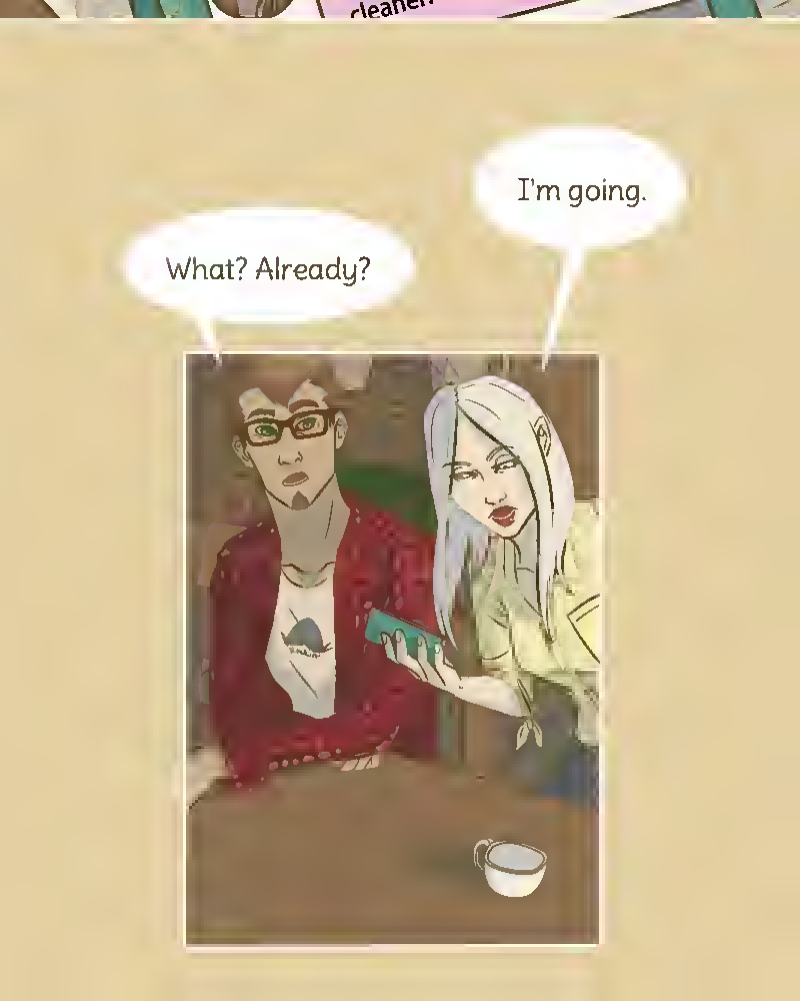
I'm surprised you managed to get any talking done, really.



Look, we're all hungry and hungover.



Let's talk about this after we eat, ok?
Please put some pants on.
Also Gin puked on the carpet again so pick up some

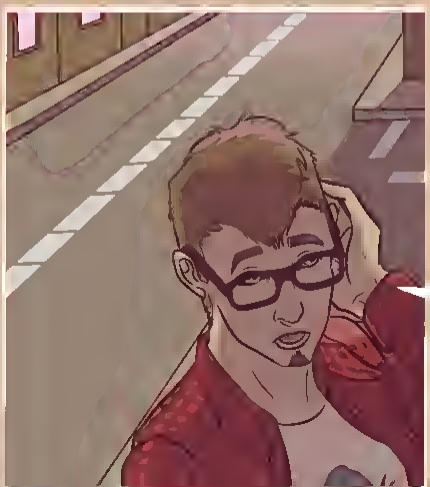


I'm going.
What? Already?

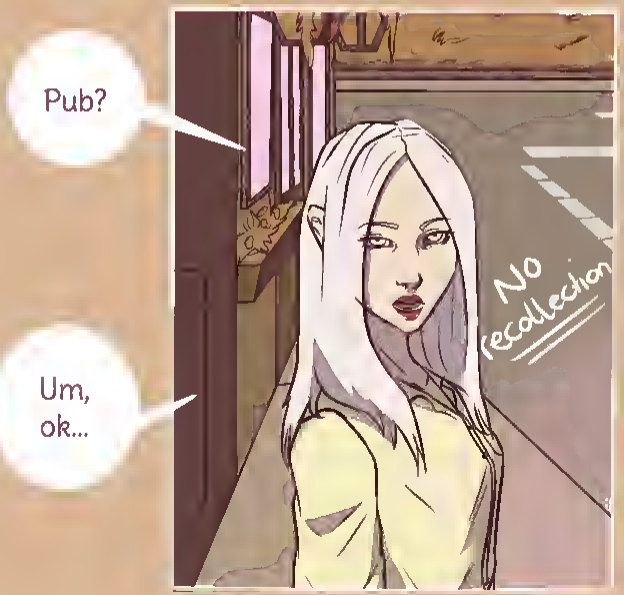
Hold on -

CLANG

WAIT -
Wait -
I just -
wanted to apologize.

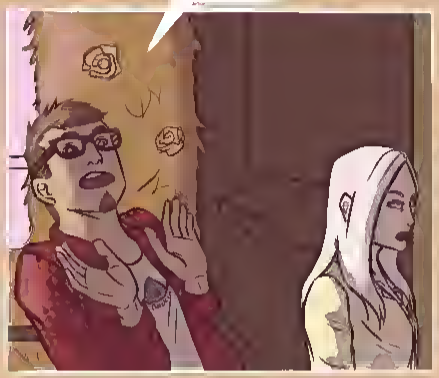


You know,
for the whole
pub thing.



Pub?
Um, ok...
No recollection

It was just inappropriate and -



It's fine.

I've already forgotten.

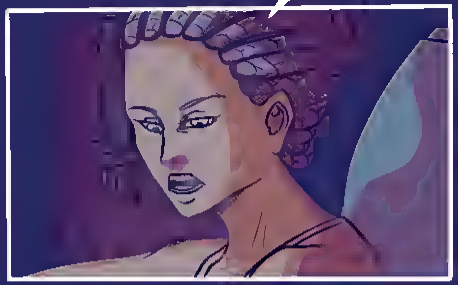
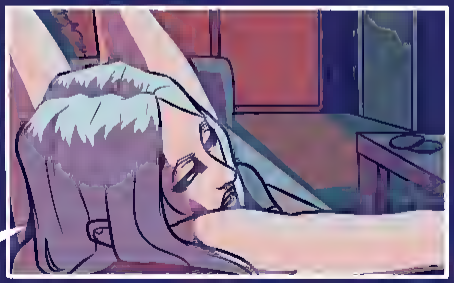
Hey, it's Mick from the cafe! Want to get a coffee sometime?

Who was that?
No fucking clue.
You going to the races tomorrow?

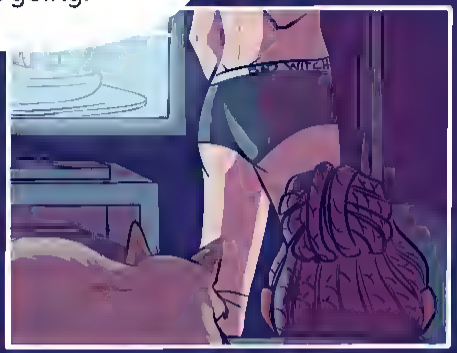


Bella's been asking after you.

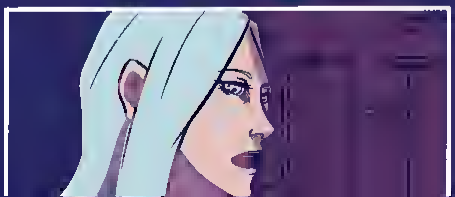


...I'll see.

I should probably get going.

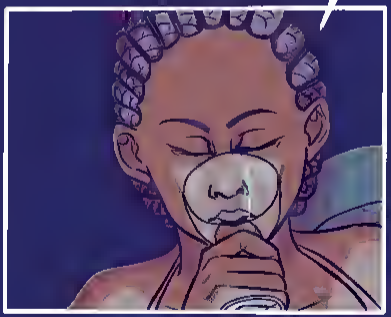


Oh, Iri...



...Thanks for letting me stay.

Of course, babe.



Stay as long as you need.
